

2019 Pembroke Farmers' Market Association (PFMA): Rules & Regulations

3. No vendor may practice 'flea-market type' pricing or offer **Distress/Discount Pricing** at any time. Our Market is committed to supporting fair value for top-quality products all day.
4. **Anyone who sells products either at their own table, or the table of another vendor, must have a yearly paid-up Market membership, and Application approved by PFM.**
5. All vendors: unless an extra adult is attending PFM to supervise a vendor's children, small children must be contained within the vendor's stall (ie: playpen) for safety due to traffic, mobility aids, etc.
6. Claims: No claims (i.e. dairy-free, gluten-free) may be made verbally or in writing without lab certification to verify claim.
7. Labeling: vendors must comply with regulations from your insurance company, FMO, CFIA and OMAFRA. New regulations occur regularly, i.e: labelling of Greenhouse products vs field/garden; allergens in baked products, etc. Contact your governing body for updates. Compliance is the responsibility of the individual Vendor and not the PFMA.
NOTE: All prepared/value-added products for sale at Pembroke Farmers' Market must have full list of ingredients, producers name & contact info.
